

Car/Boat/Caravan/Bike Transport

All prices quoted include GST and are valid for 14 days. Transit insurance is not included.

We advise that you organize your own transit insurance and can recommend Unity Insurance on 08 9202 2100 for a transit quote.

The alternative would be to contact your own insurance company that you are currently using to see if transit insurance is included, or requesting a quote for once off transit insurance.

NB.

- Tri-State Transport Pty Ltd does not cover acts of god, stone chip damage, etc.
- Tri-State Transport Pty Ltd takes no responsibility for any items that travel within the vehicle; it is at your OWN RISK.
- All items must be secured and safe to transport. The customer is responsible for any loss or damage that may occur.

In addition to our Terms & Conditions of Transport please be advised of the following:

CARS, BOATS, CARAVANS, CAR SHELLS, VINTAGE/RESTORATION VEHICLES & MACHINERY

- Your freight will be transported on an open flattop or drop deck trailer, depending on availability at the time (in forward facing position)
- Tri-State Transport reserve the right to refuse transport of any freight deemed unsafe.
- If we have to travel to do your pick up or require a tilt tray etc. extra fees will apply.
- If your vehicle/machinery, is in a state of disrepair or is a vintage/restoration vehicle, any loose panels/attachments or items MUST be made secure for transport by yourself.
- The use of plastic covers, cardboard and duct tape is considered to be unacceptable and transport will be at your own risk if you choose to leave cover on. If considered unsafe for transport Tri-State Transport can and will remove cover without notice. Lower clearance must be a minimum of 10cm for depot to depot service.
- **If freight is 10 years or older, it will only be transported at owners risk and can be unloaded at any stage during the transport if deemed unsafe at the customers own expense**
- If the dimensions of your freight exceed the size quoted you will be charged an additional fee
- Storage fees will apply after 3 days of notification that freight has arrived at our depot. Storage fees will be charged at the rate of \$22.00 per day inclusive.
- Tri-State Transport does not guarantee delivery dates. Due to unforeseen circumstances any date provided is only an estimate not a guarantee.

Quarantine

All vehicles and motorbikes travelling into Western Australia and Tasmania will go through a quarantine process and this is a legal requirement. The process requires that all vehicles and motorbikes must be free of dirt and cleaned prior to loading. Please ensure that your vehicle or bike is well cleaned and free of dirt prior to pick up. If your vehicle, caravan or bike is found in breach or not up to their standards the quarantine fee of \$150 and any fines will be passed on. Please note that this in turn could hold up delivery of your vehicle, caravan or bike.

Tie Down or Crating of Motorbikes

Should you wish for your bike to be crated for transport, please advise. If you request for us to supply the crate, we can at an additional cost.

Bikes are strapped down with 4 x 500kg ratchet straps on the front axle and rear axles or the swing arm subject to your type of bike. We will NOT strap down the front forks using the handlebars or use any other part of the bike that is vulnerable to breakage.
